RE: Demand for return of security deposit - [rental property address]

Dear [Landlord]:

I vacated the above rental property on [move-out date] and paid a security deposit of \$[deposit amount]. Under Fla. Stat. § 83.49, you were required to return my deposit with any lawful itemized deductions within 15 or 30 days (15 days to return the deposit if there is no claim, 30 to send notice of intent to impose a claim).

DEMAND

I demand payment of \$[amount improperly withheld], which you have improperly withheld from my deposit. If you contend that any deduction was lawful, provide the itemized statement and supporting documentation the statute requires.

Be advised that under Fla. Stat. § 83.49(3)(c), should I prevail in an action over this deposit, you will be liable for my court costs and reasonable attorney's fees in addition to the amount wrongfully withheld. Should this matter proceed to court, I will seek all damages the statute allows, plus court costs.

Please deliver payment to the address above no later than [date 14 days from today]. If I do not receive full payment by that date, I will file suit in small claims court without further notice. I have retained documentation of the property's condition, our correspondence, and this demand.

Sincerely,

[Your signature]
